

How the GOP tax bills hurt **Indiana**

Both bills increase taxes on many working- and middle-class families

- **358,000 filers** in the bottom 80% of the income distribution in Indiana would see a tax hike in 2027 in the House bill⁸⁵
- **937,900 filers** in the bottom 80% of the income distribution in Indiana would see a tax hike in 2027 in the Senate bill⁸⁶

The tax bills cut Medicare, lead to coverage losses, and increase health care premiums⁸⁷

- The House bill would cut **\$519 million** from Medicare next year in Indiana
- By 2025, there would be **245,000 more uninsured people** in Indiana
- A typical, unsubsidized family of four in Indiana would see marketplace premiums increase by an extra **\$1,360** in 2019

Key deductions for residents in Indiana are at risk of being eliminated⁸⁸

- **149,794 filers** in Indiana claimed an average of **\$10,466** in medical expense deductions in 2014
- **275,156 filers** in Indiana claimed an average of **\$1,071** in student loan interest deductions in 2014

Housing would become more expensive

- **710,120 filers** in Indiana claimed an average of **\$8,306** in state and local tax deductions in 2014⁸⁹
- Home prices would fall more than **10%** in the short term⁹⁰
