

How the GOP tax bills hurt **South Dakota**

Both bills increase taxes on many working- and middle-class families

- **38,000 filers** in the bottom 80% of the income distribution in South Dakota would see a tax hike in 2027 in the House bill²⁴⁷
- **128,800 filers** in the bottom 80% of the income distribution in South Dakota would see a tax hike in 2027 in the Senate bill²⁴⁸

The tax bills cut Medicare, lead to coverage losses, and increase health care premiums²⁴⁹

- The House bill would cut **\$61 million** from Medicare next year in South Dakota
- By 2025, there would be **34,000 more uninsured people** in South Dakota
- A typical, unsubsidized family of four in South Dakota would see marketplace premiums increase by an extra **\$2,080** in 2019

Key deductions for residents in South Dakota are at risk of being eliminated²⁵⁰

- **21,626 filers** in South Dakota claimed an average of **\$12,786** in medical expense deductions in 2014
- **49,413 filers** in South Dakota claimed an average of **\$1,086** in student loan interest deductions in 2014

Housing would become more expensive

- **70,140 filers** in South Dakota claimed an average of **\$5,751** in state and local tax deductions in 2014²⁵¹
- Home prices would fall more than **10%** in the short term²⁵²
