

How the GOP tax bills hurt **Michigan**

Both bills increase taxes on many working- and middle-class families

- **570,000 filers** in the bottom 80% of the income distribution in Michigan would see a tax hike in 2027 in the House bill¹³³
- **1,190,400 filers** in the bottom 80% of the income distribution in Michigan would see a tax hike in 2027 in the Senate bill¹³⁴

The tax bills cut Medicare, lead to coverage losses, and increase health care premiums¹³⁵

- The House bill would cut **\$903 million** from Medicare next year in Michigan
- By 2025, there would be **398,000 more uninsured people** in Michigan
- A typical, unsubsidized family of four in Michigan would see marketplace premiums increase by an extra **\$1,520** in 2019

Key deductions for residents in Michigan are at risk of being eliminated¹³⁶

- **235,145 filers** in Michigan claimed an average of **\$9,264** in medical expense deductions in 2014
- **390,708 filers** in Michigan claimed an average of **\$1,090** in student loan interest deductions in 2014

Housing would become more expensive

- **1,239,750 filers** in Michigan claimed an average of **\$9,198** in state and local tax deductions in 2014¹³⁷
- Home prices would fall more than **10%** in the short term¹³⁸
