

How the GOP tax bills hurt **Wyoming**

Both bills increase taxes on many working- and middle-class families

- **27,000 filers** in the bottom 80% of the income distribution in Wyoming would see a tax hike in 2027 in the House bill³⁰¹
- **66,800 filers** in the bottom 80% of the income distribution in Wyoming would see a tax hike in 2027 in the Senate bill³⁰²

The tax bills cut Medicare, lead to coverage losses, and increase health care premiums³⁰³

- The House bill would cut **\$36 million** from Medicare next year in Wyoming
- By 2025, there would be **22,000 more uninsured people** in Wyoming
- A typical, unsubsidized family of four in Wyoming would see marketplace premiums increase by an extra **\$3,460** in 2019

Key deductions for residents in Wyoming are at risk of being eliminated³⁰⁴

- **14,717 filers** in Wyoming claimed an average of **\$11,372** in medical expense deductions in 2014
- **21,730 filers** in Wyoming claimed an average of **\$988** in student loan interest deductions in 2014

Housing would become more expensive

- **60,530 filers** in Wyoming claimed an average of **\$5,754** in state and local tax deductions in 2014³⁰⁵
- Home prices would fall more than **10%** in the short term³⁰⁶
